

Territory Manager (Management & Executives)

FULL TIME

PRT Growing Services Ltd. (<https://www.prt.com/>)

Howell, Michigan, United States

PRT, the North American leader in container grown seedlings, is a well run, securely financed multinational. PRT have established a leadership position in the industry by working closely with its customers and by providing reliable reforestation products and silviculture services at competitive prices.

As the Territory Manager (known internally as Customer Support Representative), you will be responsible for new business development and customer retention.

The successful candidate could reside in PRT's Dryden, Ontario territory or Brighton, Michigan territory (Howell). Other locations will be considered for the right candidate.

The ideal applicant has a Bachelor's degree in Forestry or another relevant field, with at least five years experience in a territory sales management role supporting forestry customers.

Compensation

This full-time position has a highly competitive salary, retirement contribution, benefits package and bonus incentive program.
