### **Unregistered Practitioners**

When the Ontario Professional Foresters Association (OPFA) receives a report or becomes aware that an individual who is not a member of the OPFA is using the term Professional Forester or the title Registered Professional Forester (R.P.F.) in any form and is holding themselves out as a person qualified to practise professional forestry in Ontario, the OPFA will notify the public through its website (<https://opfa.ca>).

Parties who want to hire a professional forester are strongly encouraged to use the [Find a Registrant/Member](#) tool found on the OPFA website to verify the registration status of the individual.

If you become aware of any individual who is using the term Professional Forester or the designation R.P.F. in any form and is holding themselves out to be a professional forester and is not in the OPFA directory of professional foresters, please advise the Enforcement Coordinator ([enforcement@opfa.ca](mailto:enforcement@opfa.ca)) or the Executive Director/Registrar ([executive.director@opfa.ca](mailto:executive.director@opfa.ca)). The following name(s) represent those individuals who are unregistered practitioners and have come to the attention of the OPFA.
