The Ministry of Environment takes a team-based approach to protect Saskatchewan's environment for the wellbeing of the province, its people, and its future. We use science-based solutions and environmental laws to help safeguard communities, protect our forest resources, air, land, water, and habitat. We are committed to providing superior citizen and client satisfaction through workplace excellence, continuous improvement, and innovation. Our staff demonstrate the Government of Saskatchewan's commitment to ensuring workplace health and safety.

Are you a proactive, self-directed, analytical individual with the ability to work successfully in a team environment? Do you have a desire to foster a positive health and safety culture and an interest in increasing your technical knowledge related to the Forestry industry? The Saskatchewan Ministry of Environment has exciting opportunities in the Forest Service Branch located in Prince Albert and Meadow Lake.

As a Senior Forest Operations Specialist, you will support the sustainable growth of Saskatchewan's Forest sector by implementing policy and procedural changes that ensure forest operational planning and compliance programs which support the Ministry's results-based, service-oriented, regulatory approach to attaining desired forest management outcomes.

Typically, the competencies required for this position would be obtained through the completion of a forestry technician program, a forestry degree program or allied science degree program combined with experience with forest operations including operational planning, harvesting, road construction and reclamation, water crossing installation and reclamation, boreal forest silviculture and scaling of forest products.

The successful candidate must possess a valid driver's license and be eligible to obtain membership within the Association of Saskatchewan Forestry Professionals within two years of commencement.

Consideration will be given to recent graduates from April 2022

Closing Date: Aug 22, 2022

Competition Number: ENV002182
