The Ministry of Environment takes a team-based approach to protecting Saskatchewan's environment for the wellbeing of the province, its people and its future. We use science-based solutions and environmental laws to help safeguard communities and to protect our air, land, water and habitat. We are committed to high citizen and client satisfaction through workplace excellence, continuous improvement and innovation. Our leaders demonstrate the Government of Saskatchewan's commitment to excellence which includes ensuring workplace health and safety.

The Ministry of Environment is seeking a highly-motivated and innovative leader to join our Forest Service team in Prince Albert as the Manager of the Forest Stewardship Unit. As a member of the management team, you will support the sustainable growth of Saskatchewan's forest sector by leading the people and teams responsible for supporting the Forest Policy, Boreal Landscapes and Branch Performance and Licensing programs. You will ensure that these programs support a results-based, service-oriented, regulatory approach to attaining desired forest management outcomes.

Your Competencies and Skills preferred:

- Demonstrated ability to lead, support, create and sustain a team environment that enables staff to achieve results and to develop in a professional capacity. This includes building organizational capacity at the Forest Service for the future.
- Committed to personal and organizational safety.
- A fundamental understanding of project management and policy development.
- Knowledge and understanding of how to balance environmental, social, and economic values within the forest sector.
- Knowledge and understanding of accountability processes, risk management and effective change management to lead strategic initiatives.
- Established skills to effectively manage human resources, technology, fiscal responsibilities, and confidential information.
- Ability to communicate complex issues clearly and credibly with widely varied audiences using two-way communication to gain others' input and understanding.
- Preference given to those who have education and/or experience in the forest sector.

The Government of Saskatchewan is committed to ensuring workplace health and safety. We value both the physical and mental health of our employees. In our commitment to excellence, we demonstrate innovation, collaboration and transparency, practice effective and accountable use of resources and promote engagement and leadership at all levels.
