

Looking for a career with purpose and passion?

Boreal Landscape Analyst

Ministry of Environment
Non-Permanent – Prince Albert, SK

Explore
your
future

The Ministry of Environment takes a team-based approach to protect Saskatchewan's environment for the wellbeing of the province, its people, and its future.

The Forest Service Branch is seeking a highly motivated individual to join our team as the **Boreal Landscape Analyst** located in our Prince Albert office.

As the Boreal Landscape Analyst, you will:

- Collaborate on regional assessments of the current state of forest landscape health;
- Get cozy with your computer and interpret geospatial information to assess landscape level forest management plan targets;
- Enjoy Saskatchewan's forests while completing field assessments on those landscape level forest management plan targets;
- Collaborate with our forestry professionals on compliance assurance protocols and strategic forest planning target compliance;
- Develop engaging approaches and presentation materials to communicate to other branches of the ministry, higher levels of government, forest industry, and the public; and
- Be an ambassador on Saskatchewan's sustainable forest management practices in various inter- and intra-governmental groups related to boreal landscapes such as the Canadian Council of Forest Ministers.

Typically, the competencies required for this position would be obtained through a Bachelor of Science degree in forestry, ecology or related biological science with experience in forest landscape ecology or forest management. Experience completing technical analyses, and preparing verbal and written communication is an asset. Eligibility for membership as a Registered Professional Forester or Registered Professional Forest Technologist with the Association of Saskatchewan Forestry Professionals is required. A current and valid driver's license is required. Travel will be required for attendance of meetings and for field work.
