

Operations Forester, Timmins, Ontario

When you join our team as an **Operations Forester**, reporting to the Woodlands Manager, you will collaborate with your team on operational plans and implementation for long and short-term harvesting, delivery and road construction. You will play an integral role in linking sustainable forestry plans to effective operations. This is a growth position where your opinions will be valued, and you can build your skills.

What You'll Do

- Lead the operational planning of harvest and road construction activities.
- Monitor planned vs. actual volume achievement and adjust plans accordingly.
- Assist the Woodlands Manager in developing and implementing annual operating budgets.
- Coordinate with the assistance of the team the implementation of health, safety and environmental programs (Safe Workplace Ontario / Sustainable Forestry Initiative / ISO 140001 / Forest Stewardship Council).
- Other duties as assigned to support the implementation and monitoring of forest management activities.

What You Offer

- Recognized University Degree in Forestry / Natural Environment Management.
- Have relevant experience in forest operations, Forest Management Planning and implementation.
- Possess, or be eligible to obtain Ontario Registered Professional Forester (RPF) designation.
- Have experience working with Microsoft Office, ArcMap GIS, GPS technology.
- Have the ability to communicate in both French and English.
- Adaptable to work outdoors in a variety of weather, work environments and schedules.
- Ontario Driver's License in good standing.
- Have the ability to work independently with minimal supervision and in a team environment.
- Possess excellent communication, interpersonal and negotiation skills.
- Must be result driven and have the ability to bring forward solutions and alternatives.

- Demonstrate a willingness to learn, a positive attitude and able to get positive results with clients, contractors and government authorities.
- Have leadership skills and be motivated to produce high-quality deliverable products.

What We Offer

Interfor builds value for our employees by providing a career where they can contribute, grow, and prosper. We offer a competitive salary, based both on what you bring to the role and benchmarked to market conditions. You'll also get a competitive benefits package including:

- Extended Health & Dental
 - Short Term Disability Insurance
 - Long Term Disability Insurance
 - Life and AD&D Insurance
 - Additional (Employee Paid) Life Insurance
- RRSP Matching Plan
- Participation in our Employee Share Purchase Plan (ESPP)
