

Woodlands Operations Supervisor, Ear Falls, Ontario

When you join our team as a **Woodlands Operations Supervisor**, you will be responsible for planning and supervision of road construction, road maintenance, harvesting, and log hauling operations.

What You'll Do

- Supervise and support forest operations, including road building, road maintenance, harvesting and log hauling to meet the needs of the sawmill and to ensure they are being carried out in a safe, efficient and cost-effective manner.
- Prepare and maintain short- and long-term operational plans and ensure full utilization of the forest resource to the benefit of the Company.
- Oversee and coach a group of various service contractors.
- Monitor forest operations compliance to ensure the successful implementation of the Annual Fire Plan and Annual Work Schedules.
- Liaise with the MNRF on day-to-day operational issues.
- Coordinate the preparation of allocated cut blocks for harvest (road and boundary layout, prework approval, mapping) and schedule work with respective contractors.
- Monitor and report costs and production weekly of respective operations.
- Conduct safety and environmental audits on contractors.
- Ensure operational activities support production targets, wood quality, and wood supply of the sawmill.
- Other related tasks.

What You Offer

- Have a recognized University Degree or College Diploma in forestry or business, or equivalent experience.
- Minimum 5 years in forest operations planning and project costing.
- Must be familiar with OH&S Act Regulations and all forestry related government laws, regulations, guidelines and policies.
- Requires excellent written and verbal communication skills (Bilingual is an asset).
- Excellent interpersonal, organizational and leadership skills.

- Computer skills required include strong knowledge of MS Word, Excel and Access; ARCGIS and ArcView, GIS software; GPS operation and software including Oziexplorer and/or Waypoint.
- Must be able to work for extended periods outdoors, in a forested environment, and in various weather and field conditions.
- Must be able to work away from home for days at a time when needed.
- Valid Ontario Driver's license.
- Strong work ethic, good judgment, decision-making skills and results oriented.
- Strong negotiation skills and ability to maintain strong business relationship.
